

Spotlight Retreat for Top Recruiters

At LurraLife our philosophy is centered on nature being our greatest resource for enriching our mind, body, and spirit. As part of this, every quarter we host a LurraLife Spotlight Retreat to inspire and connect with our top recruiters. Anyone can qualify and earn a spot at these retreats! They are a very special experience YOU won't want to miss and will want to encourage your team to be part of as well. Details provided below.

Each retreat is a celebration of Mother Nature and is held at a different location around the world known for its natural beauty. Through a variety of inspirational and fun activities, participants get to connect with the natural world and learn more about themselves in the process. It is our hope that they then take that renewed energy back home and share it with their team members, customers, friends, and family.

At these exclusive – by invitation only – events, participants hang out and have fun with the Founders and executive staff of the company in an intimate setting. Don't underestimate what a very special opportunity this will be to personally connect with the leaders and other top performers...getting to know each other, growing your network, being truly uplifted, and coming to a deeper understanding of the LurraLife vision.

Dallas, Texas – Late October 2019

The next LurraLife Spotlight Retreat will be in good ol' Texas USA! The famous Lone Star State is known for its friendly hospitality, expansive vistas, lively history, and amazing barbeque. We'll be staying at a luxurious ranch on the shore of Lake Tawakoni outside Dallas. A pleasing mixture of open fields and mature forests, the ranch is home to a broad variety of wildlife, both native and exotic. This is sure to be an adventure you'll never forget. So, get your cowboy boots ready and rarin' to go!
